Meet at the Grafton Township Baseball Fields on SR 83 just south of SR 303. The birds are due to arrive by 9:00 am and all the crates need to be back by Noon.

This is a great way to meet club members, and farmers. If you have not released birds before, come on out and we can show you how it is done.

## Squirrel and Raccoon Hunters

Found this online from the Ohio State Parks website.

Local hunters have an opportunity to assist in reducing the squirrel and raccoon populations at Mosquito Lake State Park during open raccoon and squirrel season this year.

## State Park Hunting Maps

New maps of hunting areas in Ohio State Parks are now online.

Parks that allow hunting have maps available for download on their web page. Select a park and there should be a tab marked "*Park Name* Hunting Map". Click on the tab to view the map or save a copy for your records.
